

### Grade 3 – Present Progressive and Hobbies

- 1- Review the *Present Progressive* again. Remember, this is a verb tense used to describe something you are in the middle of doing. You need the auxiliary of the verb *To Be* and the verb ending in *ing*. For example:

I am writing.

You are reading.

He is listening.

She is watching.

It is raining.

We are learning.

They are playing.

- 2- On page 2, write about Garfield's hobbies by filling out the sentences with the present progressive.

- 3- On page 3, match some hobbies with the correct pictures.

- 4- Think of five hobbies you like to do and two you don't like.

Write a short paragraph to tell me about them. For example:

Here are my favourite hobbies. I like to do puzzles and read books. I really enjoy hiking mountains and camping. I also love to watch movies. I don't like playing chess because I don't know how to play. I also don't like to do wall climbing because I am afraid of heights.
